<p>90dayRx applies to participating and/or mail service pharmacy. Identified specialty drugs purchased through a specialty pharmacy network supplier are eligible for coverage (no coverage for specialty drugs purchased through a nonparticipating specialty pharmacy supplier). The patient will pay the difference if a brand-name drug is selected when a generic drug is available. The drug list uses a step therapy program. Visit the prescription drugs section of www.bluecrossmn.com for more details.</p>		

Your out-of-pocket costs depend on the network status of your provider. To check status, call Blue Cross customer service or visit bluecrossmn.com.

Lowest out-of-pocket costs: in-network providers*

Higher out-of-pocket costs: out-of-network participating providers**

Highest out-of-pocket costs: out-of-network **nonparticipating** providers (You are responsible for the difference between Blue Cross' allowed amount and the amount billed by nonparticipating providers. This is in addition to any applicable deductible, copay or coinsurance. Benefit payments are calculated on Blue Cross' allowed amount, which is typically lower than the amount billed by the provider.)

This is only a summary. Read your Certificate of Coverage for more information about what is and isn't covered. Services that aren't covered include those that are cosmetic, investigative, not medically necessary or covered by workers' compensation or non-fault insurance.

For more information, visit bluecrossmn.com or call Blue Cross customer service at the number on the back of your member ID card.

Non-embedded deductible – The plan begins paying benefits that require cost sharing when the entire family deductible is met. The deductible can be met by one or a combination of several family members. The individual deductible applies to single coverage only.
